WILDCATS LOSE SLOW CONTEST TO MICHIGAN BEFORE LARGE CROWD

Northerners Are Easy Victors in Game Featured by Errors

COOPER DOES WELL

Visitors Pile Up Nine Runs While Locals Score Once

The University of Michigan's aggregation of ball tossers, under the tutelage of Derrill Pratt, second baseman of the New York Americans, blew into Lexington Saturday morning and left that night with a nine to one victory over our boys stowed safely in their bat bag.

Cooper was on the hill for the Wildcats and pitched great ball with the exception of the fourth and seventh rounds when the Northerners got busy and with the aid of a few base hits and several errors, both of commission and omission, by the local boys, pushed eight runs across the counting board. Kentucky's best bet was also unusually wild, granting five free passes to first, hitting three batsmen and committing two balks. Michigan also got to first four times on errors. Shultz hurled a strong game for the visitors, allowing only four bingles, and was never in danger.

For the first three innings it looked like a pitcher's battle but in the fourth Michigan counted three times on one safe blow, which was a dinky little grounder between the box and first intended for a sacrifice hit. Perrin singled when Cooper let his grounder go by and Van Boven went to second. Both advanced a moment later when Uteritz sacrificed, Cooper to Gregg and scored when Brown erred on Shackleford's flaw. Shackleford went to second when Cooper balked and was safe at third when Williams dropped Baugh's throw to catch him stealing. Vick grounded to Williams and went to second when Williams threw wild at home in an unsuccessful attempt to get Shackleford. Genebach hit to Brown who retired Vick at second and the damage was halted when Johnson was retired, Brown to Gregg.

Michigan counted again in the third with only one safe blow. Shackleford got a hit through short, went to second

CINCINNATI BEARCATS PLAY HERE THURSDAY

"Bud" Slomer Will Probably Hurl For Wildcat Horsehide Artists

When the Wildcats and the Bearcats clash on Stoll Field Thursday afternoon at 3:30 o'clock a good battle is expected. Last year the Wildcats trimmed the Bearcats on Stoll Field and the Bearcats took the measure of the Wildcats when they got in their own back yard; both teams winning by about the same score.

Although Coach Gill has not announced his hurling selection for the fray "Bud" Slomer will probably be called on as he pitched against the Ohioans both times last year and have their number. However, with four days rest after the Michigan disappointment "Lefty" Cooper may get the call, with Slomer at the hot corner.

The Bearcats have about the same line-up as last season and with the usual keen rivalry between Kentucky's athletic teams and those of Cincinnati, Thursday's battle should be a good one.

DR. TERRELL GIVES LECTURE ON ART

Students of the ancient language department were given a special treat last Wednesday afternoon when Doctor Terrell gave them an informal lecture in his room in the Education building. His subject was "The Acropolis and its Art," and his talk was beautifully illustrated by the copies of the masterpieces of Greek sculpture with which his walls are covered. Doctor Terrell said that it was the skillful combination of mathematical accuracy with beauty and grace of line employed by the old Greek masters that has made their work so far surpass all other art of all time.

LITTLE THEATRE WILL PRESENT KENTUCKY PLAY

Eminent Playwrite and Author Sends Play to Professor Mikesell

STUDENTS INVITED

The fourth of the series of Matinee Tea will be given in the Little Theatre, Thursday afternoon at 4:00 o'clock, by some of the members of the class in Dramatic Production. The play to be given is "The Book Maker's Shoes," a play written by Mr. Earl Mitchell. Those taking part in the play are Katherine Conroy, John Burks, James Shouse, and Jean Siler. Mr. Earl Mitchell, author of the play is a noted actor and a member of the Lambs Club, which is a club for famous American actors and other literary men. He is a native of Kentucky and the play is laid in the scenes of his childhood, where a great part of his life was spent.

The play was received from Mr. Mitchell, in the revision that will be given at the "Little Theatre." In a letter to Professor Mikesell the author expressed a happy desire to have the play presented at the University since he is a native of Kentucky. He thinks that the students here can interpret the roles more as he intended them to be.

The faculty, students and towns people are invited to come. An unusually large crowd attended the last performance, and the nature of this play is such that every true Kentuckian should want to see it. The Woman's League will hold a tea and reception afterwards and every one is invited to attend.

Oral Examinations For Graduate School

It will interest all the Alumni who contemplate a course of study in the Graduate School for the Master's Degree to learn of the action of the Graduate School Committee. The examination has been changed from the routine of class exercises and has received a distinct character.

Hereafter, as announced in the forthcoming Catalog, the candidate for the Master's degree will receive a public oral examination instead of the former written reviews. On this occasion he will defend his thesis and give an account of the studies he has pursued in seeking the degree. He will be tested on his proficiency in his subject, rather than the books or courses he may have studied.

It is assumed that he has come to the University to take advantage of the facilities offered him along the lines of his chief interest; and he should therefore be prepared to convince the Faculty and others who may desire to be present at his examination, that he has attained the requisite mastery of his subject.

The University has never granted the Ph. D. though often solicited to do so; instead, graduate work for the Master's degree has been strengthened by the Committee.

Kernel Offers Cash Prizes For Jokes

The management of The Kernel realizes its need of a live and spicy joke column and is very desirous of receiving contributions of this nature from the students.

That these desires may take a form more substantial the management will each week offer standing cash prizes for the best jokes submitted by students.

A first prize of \$1.00 and three prizes of fifty cents each will be offered for the best jokes submitted to the Joke Contest editor before noon Friday of each week.

The rules of the Contest are simply that only students are eligible to compete, that jokes must be short, must be signed (but name of contributor will be withheld from publication), contest for each week will close Friday at 12 o'clock, jokes deposited in a box properly labelled in Journalism room, basement of Natural Science building, the right is reserved to use jokes other than the four prize winners, and there is no limit to number of jokes one student may submit.

STROLLERS RETURN FROM MOUNTAIN TRIP

People of Pineville and Middlesboro Entertain Students Royally

WINCHESTER NEXT

"Hello, Strollers. Come back again," on the menu cards at the Continental Hotel; "Stroller Special" among the drinks concocted in the ice cream parlors; a tea and dance and banquet, motor trip through the mountains, capacity houses each night and altogether a most wonderful reception and good time is reported by each Stroller and member of the band who "made the trip" to Pineville and Middlesboro.

Bell County will remember the University. U. K. is now on the map. The trip is considered a decided success, in every way, even financially according to the business manager. The cast found the mountain town of Pineville with its wholesome hospitality and lavish entertainment, delightful. Old alumni from the University, Grover Creech, Neale Bennett, J. R. Leman, and others had planned every minute of the day so that the Strollers plunged into a strenuous social whirl from the moment they left their car at 7 a. m. Friday.

An impressive event, however, marked the day in Pineville dignifying the trip and making it similar to a pilgrimage, when the Strollers visited the grave of their late comrade who was to have played with them in "Crichton," Bernice Young. A wreath of flowers was laid upon the grave, a moment of silent tribute and then reverent departure.

State Senators Moss and Bosworth who live at Pineville and Middlesboro were so impressed by the presentation of "The Admirable Crichton" and the personnel of the organization that they spoke enthusiastically about their new interest in the University, Senator Bosworth making his thoughts known in a banquet given in Middlesboro for the cast and band.

Friday evening the play will be presented in Winchester in the Opera House under the auspices of the Kiwanis Club of that city. The cast will drive over Friday afternoon and return that evening after the performance, taking its equipment with it in a truck. Arrangements have not been announced or the decision made whether "The Admirable Crichton" will be taken to Mt. Sterling and Richmond.

PHILOSOPHIANS WILL PLAY "THE AMAZONS"

"The Amazons," which is described as the funniest play ever seen, will be presented by the Philosopher Literary Society April 21. The leading feminine roles will be taken by Margaret Harbison, Lucy Smith, and Henrietta Rogers and the leading masculine role by Fred Houston-Shaw.

Rehearsals for the play are going forward steadily under the direction of Prof. Mikesell. The entire cast is working enthusiastically and the play promises to be the best ever given on the campus. Just where the comedy will be given has not been definitely decided but the chapel will probably be chosen.

KENTUCKY LOSES FIRST MEET TO COMMODORES

Vanderbilt Track Squad 82 to 35 Victor Over the Wildcats

NO RECORDS BROKEN

The track team of Vanderbilt University greeted our athletes with a warm reception when they arrived in Nashville last Saturday, taking eleven firsts and nine seconds out of the fifteen events in the meet, for a total of 82 points to the 35 garnered by the Kentucky men. The defeat was a great surprise since Kentucky with practically the same squad proved her superiority over the Commodores last year.

Our boys were greatly handicapped by Vandy's curved track which undoubtedly did much to increase the Commodore's large score. Captain Clare stumbled and sprawled on the curve in the 220 low hurdles but recovered and finished a bare inch behind Morrow. Clare was an easy victor in the 120 yard high hurdles.

Morrow was the leading point winner of the meet, turning in 18 points for Vandy but Clare was close on him with 16. Clare was leading when he fell on the low hurdles and but for the accident would have displaced Morrow as the biggest point winner. The track was slow and heavy and no records were broken.

100 yard dash, Runyan (V.) first, Clare (K.) second, ten and three-fifth seconds.

220 yard dash, Clare (K.) first, Runyan (V.) second, twenty-three and one-fifth seconds.

440 yard dash, Mixon (V.) first, Stack (V.) second, fifty three and three-fifth seconds.

Half mile run, Thornton (K.) first, (V.) second, two minutes, six and three-fifth seconds.

One mile run, Howell (V.) first, Gentry (V.) second, four minutes, forty-four and one-fifth seconds.

Two mile run, Howell (V.) first, Gentry (V.) second, ten minutes and twenty-five seconds.

High Jump, Morrow (V.) first, Dorman (K.) second, five feet and seven inches.

Pole vault, Thomas (V.) first, (V.) second, nine feet and six inches.

Broad jump, Snider (K.) first, Stack (V.) second, twenty feet and four inches.

Discus throw, Morrow (V.) first, Snider (K.) second, one hundred and seven feet.

Shot put, McCullough (V.) first, Boyd (K.) second, thirty-six feet and six inches.

Javelin throw, Thomas (V.) first, Webb (V.) second, one hundred and fifty feet and six inches.

220 low hurdles, Morrow (V.) first, Clare (K.) second, twenty-eight seconds.

120 high hurdles, Clare (K.) first, Morrow (V.) second, sixteen and three-fifth seconds.

Relay, Vanderbilt, first, three minutes, thirty-seven and four-fifth seconds.

Y. W. CABINET TRAINING COUNCIL ATTENDED BY FORTY-EIGHT WOMEN

Ten Kentucky Colleges Send Representatives to Receive Instructions

SUPPER FOR GUESTS

Delegates Were Guests of Lexington Colleges

Forty-eight girls from ten different schools in Kentucky arrived in Lexington Friday afternoon, April 8, to attend the Y. W. C. A. Cabinet Training Council held in the Recreation Room of Patterson Hall Friday, Saturday and Sunday. The purpose of the council was to train the new cabinets for the coming year.

The University of Kentucky, Transylvania, Hamilton and Sayre Colleges acted as hosts. Five girls came from Science Hill, Shelbyville, sixteen from Berea, six from Kentucky College for Women, Danville, three from Georgetown, fifteen from Millersburg, six from the University of Louisville, one from Kentucky Wesleyan, Winchester, two from Louisville Normal and four from the Eastern Normal, Richmond, to be trained so that they might carry on their work as a cabinet in their school during the coming year.

The first meeting held Friday night was a "get-together" meeting and Field Secretaries Elizabeth Lawson, Lavinia Bonner and Riggs were present to welcome the girls. Meetings were held Saturday morning and night and Sunday afternoon and night. Dr. Fortune of Transylvania, led the discussion on religious education, and Dr. Allyn K. Foster of Brooklyn, New York, made three talks. The Field Secretaries were also present to aid in these meetings and to tell of their work.

Dean Thompson of Kentucky Woman's College, Miss Olive Brenner of Millersburg, Dean Stimpson of Transylvania and Dean Karr of Hamilton were present at the meetings. Dean Josephine Simerall was expected to be present, but had to leave the city on business.

Saturday afternoon the University of Kentucky entertained the guests with an automobile ride and supper afterwards in the stock pavilion. Saturday night a conference supper to arouse enthusiasm over Blue Ridge was held and excellent toasts were enjoyed by everyone.

"PINAFORE" WILL BE PLAYED BY STUDENTS

Choral Club Will Present Comic Opera Next Semester

The score for "Pinafore," the opera to be presented by the Choral Club the first of next semester, has arrived and work is progressing nicely. While no parts have been assigned, preferences for certain characters are developing and marked interest in being shown.

"Pinafore" is a rollicking composition with scintillating chorus numbers and attractive scenic effects. Excellent opportunities for University talent are offered and the Choral Club expects to eclipse in "Pinafore" the standard set by the "Robin Hood" performance.

A meeting of the club was held Wednesday afternoon. Refreshments were served, an interesting program rendered, and plans for the future of the organization informally discussed.

AN ALUMNI "WHO'S WHO"

The Kernel is viewing with gratitude the valuable service that is being rendered daily to the University by the Alumni Secretary, an official who has only recently been added to the staff of the University of Kentucky, but who is grasping his new duties with the familiarity of a veteran.

The story of the organization of the hundreds of Kentucky alumni over the United States and of the rapid growth of the Kentucky Alumni Association is now a familiar one. The Kernel is now distributed, with the Alumni Association as a medium, to 800 alumni and The Kernel flagstaff now reads: "The official publication of the students and the Alumni Association of the University of Kentucky."

But the most recent efforts of the Alumni Secretary have been directed toward gathering authentic information concerning the location, occupation and success of Kentucky alumni. Questionnaires have been sent out which contain such questions as the following: What has contributed most to your success; how have you utilized the training you received at the University; if you were to do your undergraduate work again, what change would you make as to the relative amount of time spent in study and in student activities; are there any University of Kentucky graduates or former students associated with you in your work; what is the biggest thing you would like to do or see done for the University? A request is also made for a brief personal sketch of the graduate's career since graduation.

It can be readily seen that the work being done by the Alumni Secretary is very valuable for the records of the University, a phase of our history that has been sadly neglected. The University is seeking to ascertain the part her sons and daughters are taking in the world's affairs. The material is sought for an individual permanent record in the Alumni files and for a sketch to be published in The Kernel. When all the material is in the hands of the Secretary a "Who's Who" of Kentucky alumni will be published.

If the reader should be one of those whose alma mater is the University of Kentucky and you have received and treated lightly the urgent request for information you should consider the seriousness of the questionnaire and mull in the answer immediately.

It is the cooperation in these little things on the part of student and alumnus alike that will make the University of Kentucky superior to any other institution in the South.

NUMEROUS KENTUCKY ALUMNI CLUBS ACTIVE

Graduates at K. E. A. To Be Guests of Jefferson County Club

NEW CLUB CHARTERED

Alumni of the University attending the K. E. A. convention in Louisville will be guests of honor at a dinner given by the Kentucky Alumni Club of Jefferson County at the Tyler hotel Thursday evening April 21.

There are 188 alumni of the University teaching in high schools of the State. A majority of them are expected to attend the K. E. A. meeting and the alumni dinner. The Louisville alumni club has a large membership now and maintains joint headquarters with the Engineers and Architects in the Starks Building.

Alumni in Chicago and vicinity will have a special meeting and dinner at the Great Northern Hotel Saturday evening April 16, in honor of the Senior engineers on their twenty-sixth annual inspection trip. Dean F. Paul Anderson will be in charge of the student party. The Alumni Secretary will go to Chicago to assist in organization work of the alumni club and will speak at the dinner Saturday evening.

Forty members and guests of the Kentucky Alumni Club of Cincinnati attended the recent meeting at the Gibson hotel in honor of the visit of President Frank L. McVey, of the University. "Dr. McVey's address gave the old students a clear insight to what the Alma Mater is today and why we should be proud of the fact that we as alumni can link our names with the institution," writes Mrs. Clara Matti Studor '13, secretary of the club. "He answered that question of many alumni, the purpose of organizing these clubs, aside from the renewal of old associations."

An alumni club has been organized at Frankfort with M. J. Clarke, '16, principal of the high school, president; Miss Carolyn Lutemeier, '16, vice president, and Miss Elizabeth Sargent, '10, secretary-treasurer. All are teachers in the high school. Among the charter members of the club are Charles I. Dawson, Attorney General of Kentucky; Fred A. Vaughan, Secretary of State; R. Lee Stewart, Assistant Secretary of State and L. N. Taylor, Assistant Superintendent of Public Instruction.

WILDCATS LOSE SLOW CONTEST TO MICHIGAN
Continued From Page 1.

on a balk and advanced to third when Propps kicked Genebach's grounder. He scored on Johnson's sacrifice, Cooper to Gregg. Shackleford was suffered to obtain a big lead off third and was half way home when the ball was hit. Ordinarily he would have been an easy out at the plate.

The bonanza round for the visitors came in the eighth when five markers were made after two were out. Hoffman tamely opened the big inning by popping to Brown. Van Boven singled to left and went to the keystone sack on a passed ball. Perrin missed three but Uteritz slammed a three-ply blow to the right-center fence and Van

Boven scampered home. Karpus hit for Shackleford and placed a long triple to deep left, scoring Uteritz. Both swats were the longest seen on Stoll Field for some time. Cooper's troubles were just beginning. Vick walked and Genebach was hit by a pitched ball, filling the bases. Johnson got in the way of a fast one and Karpus was forced home with a run. Shultz singled hotly through the infield and Vick and Genebach counted. Hoffman was hit by a pitched ball. Cooper was wild but it seemed that the hitters were making no effort to get out of the way. Van Boven hit to Slomer, who had taken Williams' place at the hot corner in the sixth, and Bud stepped on the bag, forcing Shultz. The victors were retired in order in the eighth and ninth, but the damage was done.

The Wildcats obtained their only run in the fourth. Beam was given life when Uteritz messed up his grounder. Brown walked and both advanced when Slomer was retired at first by Uteritz. Uteritz stepped on second before he threw and claimed a double play but Umpire "Jim" Park ruled that he did not have his foot on the sack while holding the ball and the force out of Brown was not allowed. Beam crossed the plate while Van Boven was tossing out Muth at first. Williams ended the inning by striking out. Our boys made a strong bid for more runs in the fifth but the breaks were against them and they were unable to score. Baugh flied to Perrin. Cooper singled to right and was safe at second when Van Boven dropped Shackleford's throw. Propps got an infield hit to Van Boven, beating out the blow by fast sprinting; Cooper held second. Gregg singled to short and with the sacks loaded, only one down and the heavy end of the batting order coming up a flock of runs seemed imminent. In his anxiety

to get a good lead Cooper was caught off third by Vick and Beam ended the inning by fouling out to Vick. In the last four rounds the Wildcats were retired in order.

Score by innings:

	1	2	3	4	5	6	7	8	9	R	H	E
Kentucky	0	0	0	1	0	0	0	0	1	4	3

Dues to the Alumni Association, \$2 a year, include subscription to The Kernel and the Alumni Directory. Address Herbert Graham, Sec'y-Treas., University of Kentucky, Lexington

A check for \$34 has been received by the Alumni Secretary from R. L. Jones for the Loan Fund of the Class of '12. A fifty dollar Liberty Bond had already been given by the class. Sixteen members of the class contributed to the fund sent in by Mr. Jones who expects this notice to bring in the remaining sixteen dollars needed. Contributions may be sent to Mr. Jones at Room 910, 39 Cortlandt Street, New York City, or to the Alumni Secretary.

"I have written forty personal letters to members of my class with only four replies. What is their percentage now?" writes Mrs. Oline Cruickshank Wilson, secretary of the class of '11. Twenty-five percent of the class have paid dues. Fifty percent of them have returned the Alumni Information cards.

Hundreds of letters have gone out in the last few days from class secretaries in the interest of the Alumni Association and the big re-union on the campus June 14. This is the re-union year for the classes of '81, '86, '91, '96, '01, '06, '11, '16. A prize will be awarded to the class having the largest percentage present at the re-union.

J. Soule Smith, of New York, was in Lexington recently on a visit to his mother. Mr. Smith was one of the wildest of the Wildcats when an undergraduate and was on the famous football team of '95.

Dr. Graham Edgar, now at the University of Virginia, has been allowed \$200 by the Committee on Grants of the American Association for the Advancement of Science for a mercury arc lamp of quartz to be used in researches in photo-chemistry.

George Boagart was in Lexington last week. He has headquarters now in Louisville.

V. L. Downing is Chief Engineer of the Winther Motor Truck Company, Kenosha, Wis.

Chester F. Dunn is on the Board of Education, Chicago, Ill.

J. C. Lewis is Cash Accountant for the Anglo American Mill Company of Owensboro, Ky.

The following announcement has been received by the Alumni Secretary: "Mr. and Mrs. L. O. Coleman announce the arrival of a son on March 18. Name Bruce Lutton. Weight eight pounds."

Willard D. Barrows is Chief Engineer of the Providence, (Ky.), Coal Mining Company.

Walter F. Hanley is Division Engineer of the United States Coal and Coak Company, of Gory, W. Va.

B. F. Rountree, is County Attorney of Edmonson county and is a resident of Brownsville, Ky.

The Coe Manufacturing Company, of Painesville, Ohio, largest manufacturers of veneer machinery in the world, is almost a "University of Kentucky organization." F. W. Milbourn, '01, is president; W. H. Collier, '17, vice president and general manager, and A. J. Vance, '99, is secretary and sales manager. Mr. Vance, is secretary of his class and is making plans for a big re-union on the campus June 14. H. R. Masters, '14, is a salesman with the company, having the New England territory and all north of Chicago.

H. L. Donovan, a graduate of the class of '14, Arts and Science, has been recently elected to the superintendency of the schools of Jenkins, Kentucky, at a substantial salary. Mr. Donovan was formerly located at Catlettsburg.

KENTUCKY FIFTH IN GALLERY COMPETITION

R. E. Wible Has Highest Individual Score of 188

The results of the Gallery Competition recently completed in the Fifth Corps Area are as follows: Indiana University was the winner of the Senior Division R. O. T. C. Competition with the total score of 1734. R. E. Wible of this University had the highest individual score which was 188.

Love Stories of the Alphabet

Bashful Bertha

Background — Bloody Breathitt; backwoods; balmy blue beyond billowy balsams.

Burbie 1

Beautiful Bertha blushes bashfully beholding Buck Bascom. Buck bows boldly. "Be Bertha Bascom," blurts Buck.

"But Buck," begins Bertha—

Burbie 2

Bud Bartlett, Bertha's big brother basks behind barn boiling brandy, brewing barleycorn.

"Bertha," bawls Buck blandly. "Bring badger bait, bacon." (Bud, brother-like, believes Bertha babyish). Bertha, bored, brings bacon.

Burbie 3

Bud baits badger-trap. Badger bites. Bud brings back badger. Badger bites Bud—Bud bellows bitterly. Bertha, bewildered, beseeches badger.

Brave Buck Bascom brandishes barrel, beating badger balefully. Badger bleeds; bated breath. Buck burles badger.

Bertha bandages Bud's bruised back. Bud better.

Burbie 4

Babbling brook bounded by brilliant bayberry bushes. Buck bangs banjo blissfully.

"Beautiful, bashful blue-eyes," breathes Buck.

Bertha beams back, "Brave boy." Betrothed.

Burbie 45

Background — Buck's barbershop; booze barrel; badger-skin, baby buggy. Bertha bored bride. Buck, bald, blase. Both bitter. Baby bawls! Bonjour!

CAMPUS GOSSIP

By D. Murphy

President McVey has appointed Mr. Frank Daugherty of Philadelphia and Mr. J. I. Lyle, of New York City, both alumni of the University to represent the University of Kentucky at a meeting of the American Academy of Political and Social Science at Philadelphia, May 13-14.

Miss Anna Bindeman, nurse of the Federal Board for Vocational Education, Louisville, was at the University April 7 to meet the members of the

Federal Board of Students, of which there are about fifty at the University.

Dean Melcher went to Mason Friday April 8, to act as one of the judges at a high school preliminary debate. The high schools debating were, Dry Ridge High School and Mason High School, and the subject of debate was "Compulsory Arbitration of Labor Disturbances."

Professor Edward Tutthill will go to Cynthiana April 21, to address the County and City Clubs there.

Mr. W. E. A. Armentrout who has held a graduate assistantship in mathematics at the University the past two years, and who will receive his Masters degree in June, has been awarded a part time instructorship at the University of Wisconsin, for the coming year.

Miss Eichelberger will speak to the Woman's League in the Little Theater, Thursday at the fifth hour on "How to Choose Food in the Cafeteria."

Dean Smrall will entertain all of

the Senior women on the lawn of the president's house, Friday, April 15 at 4 o'clock.

President McVey went to Cynthiana Saturday, April 16 to address the Woman's Club of that place.

MR. HOOVER, 58 East Washington St., Chicago.

In Selecting a University—

For a college education, there are five things to be taken into consideration:

1. The men at the head of the Institution.
2. The scholastic standing and ability of the Teaching Staff.
3. The location and advantages of environment.
4. Equipment, buildings, laboratories and libraries.
5. Cost.

In all these respects the University of Kentucky commends itself to those seeking a higher institution in which to carry on their education.

All Departments, including Liberal Arts, Sciences, Agriculture, Law, Education, Mining, Civil, Electrical and Mechanical Engineering.

The Government needs trained men and women; college training will bring the result.
